JULIA CURTIS

Southwest Arizona

Julia Curtis moved to Arizona to work as a North American Mission Board missionary and to attend Gateway Seminary. Her classes in theology and education directly enhance her work in the Tohono O'odham Nation, providing the necessary skills to prepare the head, heart and hands of effective ministry.

As part of Live Love Ministries, Julia is working with children, teaching classes and mentorship/discipleship. Ministry leaders are planting a church and praying God will use this to further His work in the area and around the world.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program keeps Julia's costs at Gateway Seminary low and affordable, and it allows her to continue mentoring and discipling women.

PRAY that God would raise up Native men, women and children who would love Him more than anything else and that God would use them to be a light in their communities.
