LUCAS BASS

Phoenix, Arizona

Lucas Bass has served with Arizona Baptist Children's Services & Family Ministries (ABCS) for 10 years. He started as a parent aide working directly with families involved with the Department of Child Safety (DCS). He now leads the Parent Aide program as state director, maintaining focus on the mission and ministry.

ABCS partners with the state to provide supervised visits for families involved with DCS as part of its mission to provide hope and care to hurting children and families through Christ-centered ministries. Parent aides transport children to visits with their biological families and ensure a safe environment as families work to connect in healthy ways. They love like Jesus as they try to help families reunify.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program helps leaders like Lucas equip his team to care for children and families separated by difficult circumstances.

PRAY for families to reunify and grow closer.
