DEBRA WOLFREY

Arizona

Debra Wolfrey has experienced education at the Arizona Campus of Gateway Seminary both as a student and as an adjunct professor. As a woman and as an associate minister, she found a place she could belong and learn more about the Bible and ministry. Now, her students represent diverse age spans, ethnicities, and ministry angles.

More than 50% of Arizona churches have leaders who were trained at Gateway's Arizona Campus. These leaders have learned together, forming a bond that is deep and long lasting.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program helps Gateway Seminary shape leaders like Debra who advance God's kingdom around the world.

PRAY for Debra as she teaches Gateway students that they will faithfully learn to live out their callings to share the Gospel in Arizona churches and beyond.
