

Youth Conference

KITWE, ZAMBIA

Date: June 24, 2024. 7 days.

What would I do? This is your opportunity to come and work with Zambian Baptist Churches to reach the youth of the country for Christ. A perfect chance to come along and support an initiative started locally and help the local church fulfill the vision God has put on their hearts. Last year 700 youth gathered together for this event and with your help the numbers can grow much beyond that. You will have a chance to teach, disciple, and make lifelong friends with an amazing group of Zambian youth.

The event will be 4 days and you will plan out the schedule in conjunction with the Zambian churches. You will lead large group and break out sessions. You will have fun with the kids through games and activities. These kids will impact you and your church in a way that will help your church truly understand what God is doing in Africa.

Requirements: Go Experience - An IMB volunteer pathway designed to provide churches with a short-term mission trip as a gateway opportunity with hands-on ministry experience, pre-trip training, and onsite training.

Maximum number of people that can come on a team? 4-10

Trip Cost? \$950

Vision: To work alongside the Zambian church as they seek to reach the youth of the country for Christ.
