TUESDAY SOAP

S is for Scripture

Open your Bible to Hebrews 1:3-6.

Take time to read and allow God to speak to you.

O is for Observation

These verses teach us that the very character of God is revealed in His Son Jesus. With this in mind, we can praise God today for giving us such great insight into who He is.

A is for Application

Who do you believe that God is? Does the answer you give connect with the life of Jesus?

P is for Prayer

Pray that God would help you grow in your understanding of who He is today.

WEDNESDAY SOAP

S is for Scripture

Open your Bible to Romans 8:28-29 and 2 Corinthians 3:18. Take time to read and allow God to speak to you.

O is for Observation

God is working all things in the world towards His good plan.

A is for Application

Where do you have a hard time believing that God is working things for good?

P is for Prayer

Pray that God will give you eyes to see where He is working.

THURSDAY SOAP

S is for Scripture

Open your Bible to Romans 12:1-3.
Take time to read and allow God to speak to you.

O is for Observation

These verses teach us that because of the grace of God we have the opportunity to be transformed and renewed in our minds. We no longer have to look at our lives from a worldly perspective, we can look at them from a heavenly perspective.

No matter how many poems or stories we have written, or if we hope to tell our first story or write our first poem, the opportunity to write emerges from the desire to share the unfinished creative voice. Sharing our voices with readers allows us to see the overflow and fruit of expression. In the class, camp attendees will exercise confidence to discover inspiration to use our creative voices, to develop plots for stories by creating characters, to use the power of poetic language, and to tell our own stories. We will do this through community and encouragement to develop our unfinished creative voices.
