HOW TO PRAY:

- For indigenous believers to be strengthened and passionate about making Jesus known in their own communities.
- That God would either raise up or send more missionaries to serve alongside the Gibbses and the Live Love staff.
- For new churches to be planted on the reservation, in the refugee community, in Malawi and Cambodia.

MEET ERIC AND BRITTANY GIBBS
SERVING IN ARIZONA

Eric and Brittany have been serving in the Gila River Indian Community and the Tohono O'odham Nation in southern Arizona for nearly 15 years. They were first commissioned as missionaries by the North American Mission Board and receive financial support from the Arizona Mission Network. Through partnerships with churches, the addition of missionaries and the growth of Live Love Ministries, God has allowed the Gibbses to see numerous people come to faith in Christ and be discipled. God continues to expand the reach of Live Love beyond the borders of the reservations. They also work extensively with the refugee community in the Phoenix metro area and have two schools and a ministry center in Malawi. They have partnerships in the Democratic Republic of the Congo, as well as Cambodia. The Live Love staff includes Julia Curtis and Jordan and Kayla Barton. (To learn more: liveloveministries.org)

This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins.
